

BASS DIRECTORY JUNE 2026 v1

P/G column indicates whether Bass is a permanent fixture or an occasional guest beer. 'Guest' can mean anything from 'new barrel every Friday until empty' to 'one cask once a quarter' and everything inbetween. But **not** 'once a year'.

New entries on the list are coloured gold.

This directory couldn't have happened without Ian Thurman, Pub Curmudgeon (RIP), Retired Martin, Britain Beer Mat and Ian Webster.

The directory is now kept updated by Quinten Taylor AKA Sir Quinno (X/Utp) AKA Watney Mann (Fb). All content copyright Quinten Taylor.

Key: B - Banked; H - Handpump; G - Gravity; J - Jug; E - Electric; P - Powered pump

If Bass is reported but no method of dispense is given then handpump is assumed.
